

# MAHA AKL

UI/UX ENGINEER

## SUMMARY

👋 Hey, I'm Maha!, with 6+ years of experience, I craft intuitive, responsive interfaces that blend design and functionality. I'm passionate about creating seamless user experiences and bringing creativity to life through animation and digital art.

## JOB & EXPERIENCE

### Sportradar (2020 - 2025)

UI/UX Designer

Designed and developed intuitive, responsive digital experiences for clients such as NHL, NBA, and Tennis Channel. Created interfaces using Figma and Adobe Creative Tools while contributing to web development with HTML, CSS, and Vue.js to ensure seamless usability. Built a scalable design system to maintain consistency and enhance efficiency across projects.

### Noval Energy Solutions (2016 - 2020)

UI/UX Designer

Designed and developed a responsive platform with intuitive UI, custom icons, and smooth animations for seamless, engaging user experiences.

### Synergy Porsales Int. (2014 - 2016)

Designer

Specialized in product identity and brand design, creating consistent, visually appealing UI elements and responsive layouts across digital and print platforms using Adobe Creative Suite.
