

# MAHA AKL

UI/UX ENGINEER

## SUMMARY

👋 Hey, I'm Maha!, with 6+ years of experience, I craft intuitive, responsive interfaces that blend design and functionality. I'm passionate about creating seamless user experiences and bringing creativity to life through animation and digital art.

## JOB & EXPERIENCE

### Sportradar (2020 - 2025)

UI/UX Designer

Creating intuitive and responsive digital experiences using Figma and Adobe Creative Tools.

Developed interfaces and contributed to web development with HTML, CSS, and Vue.js, ensuring seamless usability.

Built a scalable design system to maintain consistency and enhance efficiency across projects.

### Noval Energy Solutions (2016-2020)

UI/UX Designer

Designed and developed a responsive platform with intuitive UI, custom icons, and smooth animations for seamless, engaging user experiences.

### Synergy Porsales Int. (2014-2016)

Designer

Specialized in product identity and brand design, creating consistent, visually appealing UI elements and responsive layouts across digital and print platforms using Adobe Creative Suite.
